

Dear Families

Greetings from School!

We have welcomed back most of our Reception, Year 1 and Year 6 children this week. It has been fantastic to have them back with big smiles. The staff were so pleased to see them and are excited about teaching and learning over the coming weeks.

We are really proud of all the hard work you all continue to put in to teaching your children, hearing them read and helping them to complete work on Purple Mash if they are still at home.

The art packs we have had delivered have been a great success. Thank you if you came to school to collect one and we love the photos you have sent in of the finished products.

Thank you to everyone who has sent in a picture or posted on Tapestry, I have included a selection below. Please forward anything to admin@moat.academy

CASHLESS SYSTEM

In these difficult times and to lower the risk of spreading Coronavirus, we ask that you make online payments, via Parent Pay, as much as possible. If you want to set up a Parent Pay account please contact the school office admin@moat.academy or telephone 01452 520502.

If you currently can only pay by cash, then please note that the school administrator is unable to offer change. Any overpayment will be added to your account.

To pay by cash, please help the school administrator by having the money ready. You will be asked to place it in a plastic cash bag that will be sealed with your details and the amount that you state. This bag will be held for 3 days before being checked, processed, and added to your account.

Stay safe and keep in touch with us at school.

From everyone at Moat.
